## Past-Presidents Honored At 33rd District P-TA

Mrs. Victor Benard, past president of the Torrance Council P-TA, presented the First District record book to Mrs. B. Smith, jr. past president of 1st District, at the Founders' Day program given by the 33rd District in Culver City last Thursday.

There were many representatives from the numerous schools in Torrance present to participate in the honoring of past presidents.

Mrs. Benard was record book chairman of First District before the schools in the southwest Los Angeles area voted to form the new Thirty-third District.

Mrs. Lila Stevenson, past president of First District, presented the honorary life membership, given in memory of Mrs. E. W. Galbraith, to Mrs. Kenneth Spencer, president of

California Congress of Parents and Teachers. Mrs. Stevenson, as honored guest at the forthcoming honorary life dinner of the Torrance Council, will give the invocation to the recipients of all past honorary life awards.

Under the chairmanship of Mrs. A. MacKenzie, plans are being furthered for this dinner which is to be held at the Women's Club on March 21st.

Mr. and Mrs. John L. Garcia, of 1659 W. 214th St., announce the birth of a daughter, Christina, weighing 7 pounds and 4 ounces.

## Improvement Bids Awarded

Seven street improvement contracts totaling \$49,133 were awarded in the 15th council district in January, Councilman John S. Gibson announced today. It was one of the highest totals of contracts awarded in a single month in more than a year, the councilman said.

Jobs expected to reach the half million dollar mark are scheduled to be awarded during February, setting a new all time record for number of projects sent to contract, Gibson said, adding that the paving of Central avenue in the northern portion of the district would amount to about half this sum. A total of 14 jobs could be awarded under normal processing, Gibson stated.

### Shoestring Strip

The Shoestring Strip area got the lion's share of last month's awards, getting work ordered

on three projects, with one each in Watts, Wilmington, Harbor City and San Pedro.

Processing of assessment proceedings under a new procedural ordinance, sponsored last year by Councilman Gibson, is becoming effective and should, in time, materially reduce the number of months necessary to complete a project.

Three special projects, financed from public funds, are included in the expected February awards.

## P-TA Units Subscribe to Publication

Torrance High School P-TA and Howard Wood P-TA are the only parent-teacher associations within Torrance Council P-TA who have so far achieved the Honor roll for their entire executive board subscribing to the California Parent-Teacher Magazine.

Other units are striving to reach the honor roll goal, as it is the wish of all local units within Torrance Council P-TA to acquaint all parents in Torrance with the California Parent-Teacher magazine. The magazine offers help in solving family problems through the many articles on health, discipline, spiritual values, parent education, human relations, home and family life. There are also features dealing with movies, radio, television, comic books, and current problems in school education.

Anyone wishing to subscribe to the magazine or procure further information may contact unit presidents within their own school area or Mrs. W. A. Wright, president of Torrance Council, FR. 2-2288.
